The purpose of the program is to impact on attitudes, skills, and knowledge of the coaches that will result in a safe, sportsmanlike environment for all players, coaches, and parents.

COURSE LENGTH

Respect in Sport Program is only offered online and is a total of 3 hours in length. The course consists of 6 modules, each 30 minutes in length.

The RIS program does not have to be completed at one sitting. The program knows where the coach has left off and brings the coach back to that point upon the next sign-in. When the program has been completed a Certificate of Completion can be printed.

Your certificate number is transferable to all sports.
